

The Dorothy A. Jones Volunteer of the Year Award was established in 1993 by United Way of Mat-Su to honor the memory of one of the most remarkable leaders of our time. Dorothy Jones was a dedicated volunteer who helped to improve the quality of life for Mat-Su valley residents. To the end of her life, she served on the United Way Board of Directors in addition to her many other areas of service.

The Dorothy A. Jones Volunteer of the Year Award is intended to honor individuals for exceptional volunteer service in the Mat-Su Borough.

To be eligible for consideration, nominees must be a Mat-Su Borough resident and must have served as a volunteer in the areas of Education, Income or Health within the Borough. Nominees are judged by a distinguished panel of community leaders, according to length and breadth of service as well as how the nominee's volunteerism has improved the quality of life for Mat-Su residents.
